- Ph.D. The University of California at Berkeley, 1973
Social Policies Planning, Department of City and
Regional Planning. Dissertation: Implementing Change
in the Federal Bureaucracy
- M.A. The University of Minnesota, American Studies, 1963
- B.A. Antioch College, History, 1958

RECENT RESEARCH

Policy Analysis in the 21st Century: Complexity, Conflict and Cases. Book that
ardescribes changes that have occurred in the policy analysis discipline. To be published
by Routledge.

Federal Management Reform in a World of Contradictions. Book that links special
initiatives related to federal management reform to the intellectual history of public
administration. Published by Georgetown University Press, 2012.

Received the 2013 Book Award from the American Society of Public
Administration's Section for Public Administration Research.

What Do We Expect From Our Government? Edited with Joshua M. Chanin. Collection
of essays from the 75th Anniversary Conference of the School of Public Affairs,
American University. Published by Lexington Books, 2010.

Federal Reorganization Efforts. Edited with Joshua M. Chanin. Developed a reader of
the policy and management approaches to federal reorganization efforts. Focusing on
contemporary use of reorganization authority. Book published by Jones and Bartlett,
Publishers, 2009.

Challenging the Performance Movement. A study of the various responses to the
demand for information about performance, drawing on multiple experiences in
performance management activities in the US, Australia and New Zealand, the
educational testing efforts, and other examples (including foundation expectations and
private sector demands). Book published by Georgetown University Press, June 2006.
Current work focuses on performance measurement as an accountability device.

The Evolution of the Policy Analysis Field. A study of the changes that have taken
place in the policy analysis field comparing assumptions about the field during its
early stages in 1960s with the developments that have actually occurred over the
years. Second edition of the book published 2013 by Georgetown University Press.

RECENT PROFESSIONAL ACTIVITIES
